As this phase 5 research comes to the end I wish to thank the many people who gave me information and also that there will be errors and omissions as in any genealogy research. I only wrote the information that was given to me as folk knowledge, but all dates I have given from this area came off the headstones, are accurate and this is the final chapter in a person's life and is correct. Their families laid them to rest and knew the life data.

- 1. Virginia E. Bledsoe, b. in Kentucky 1828.
- 2. Willis A. Bledsoe, b. in Missouri, 1832.

From the above it will be noticed that Anthony Bledsoe and his wife Margaret went from Kentucky to Missouri, sometime between 1828 and 1832 and migrated to Dallas County, Texas, between 1841 and 1850.

WILLIAM M. COCHRAN was born in South Carolina in 1807 and his wife Nancy J. was born in North Carolina. They lived in Tennessee, from where they moved about 1840 to Missouri, thence came sometime after 1841 to Dallas County, Texas. We give below the names of five of their children:

- 1. J. H. Cochran, who was b. in 1838 in Tennessee.
- 2. A. M. Cochran, b. in 1839 in Tennessee.
- 3. William P. Cochran, b. 1841 in Missouri.
- 4. James Cochran, b. in 1847 in Texas.
- 5. Martha A Cochran, b. 1849 in Texas.

(There were five sons and four daughters).

William M. Cochran's wife was Nancy Jane Hughes, of Maury County, Tennessee. They were married in Maury County, Tennessee. William M. Cochran was born and raised in Abbeville District S. C. the son of John Cochran and Margaret McClanahan. The Cochran family lived for a time in Green County, Mo.

THE CRUTCHFIELDS: One of the oldest Virginia families had a branch that was among the first to settle in what is now the City of Dallas, Texas. This was the Crutchfield family. The Crutchfields lived in York and New Kent Counties prior to 1700 and some of them in Middlesex County. About 1720 to 1730 some of them moved into the new county of Spottsylvania and settled around Fredericksburg, Va. "Crutchfield" was the name of a settlement in Spottsylvania, where entertainment could be had

#### WILLIAM COCHRAN

Barnwell County, South Carolina supplied a large number of the settlers for the newly opened Mississippi Territory. On December 12, 1808 a passport to travel through the Creek Nation was issued to William Cochran, Samuel Slade and Hardy Cowart and their families.

By 1811 the Cochrans were settled in northern Jackson County (now George) and signing a petition for the United States to annex the West Florida lands.

William Cochran was born about 1755 and died around 1815. His widow Margaret is listed in Greene County State Census in 1816 with four females and three males still at home. There were several children already grown and married with homes of their own. It is believed that William and Margaret Cochran had 15 children - 7 sons and 8 daughters. The names of all are not known, but many descendants of these 15 children reside in the Jackson County area today.

Some of the Children of William and Margaret Cochran were: Margaret who married Ezekiel Cowart; Burwell who married Courtney Cowart; Nancy who married Charles Turner; Allen who married Amy Moody; Henry who married Mary Breland; William, Jr. who married Ann; and John Turner Cochran who married Mary "Polly" Strickland of Wayne County, Mississippi.

John Turner Cochran and Mary Strickland number among their descendants Simeon Cochran (named for his grandfather Simeon Strickland). Simeon Cochran was a well known and respected Jackson Countian in the early 1900's.

The Marshall Martin Plantation Cemetery submitted by Mrs. A. Waldo Jones, Vinings, Georgia

The Marshall Martin plantation is south of Greenville, Georgia on Crowder Road, which runs off to the right from Highway Alt. 27 at the point where the county prison camp and a small airfield are located. On Crowder Road one sees on the left a pecan grove and the entrance to a cattle farm; a short distance on, on the right, is the site of the now-demolished Marshall Martin home which stood in a grove of trees on a rise, an avenue of trees leading to it. Some distance back of the house site is the cemetery, hidden in a thicket of trees. It is surrounded by a two feet thick, three feet high wall of enormous stones, surmounted by a beautiful iron grillwork fence which has been toppled by falling trees. At the time when Mr. and Mrs. A. Waldo Jones transcribed the tombstone inscriptions, in May 1964 and in August 1968, the stones, a number of which are very handsome, were in good condition. The land surrounding the cemetery was owned by Mr. George Berner and used as a part of his cattle farm.

Marshall Martin, who was born in Martintown, Edgefield District, South Carolina, a son of John and Elizabeth (Terry) Martin, was a pioneer settler of Meriwether County, Georgia, moving there from Wilkes County, Georgia.

Starting at the southwest corner of the cemetery the graves in each row are numbered from south to north.

#### ROW I

- 1. A chunk or block of granite, like a footstone.
- Abram C. Martin born March 1819 [Bible says Jan. 2, 1820] died May 1865 [footstone] A. C. M. 1865
- 3. Sacred to the Memory of Marshall Martin who was born March 15th 1781 was born again June 1809 more than 46 years a member of the M. E. Church, was a faithful class leader about 45 years. Died 13th Jan. 1856
  In commerce an honest man, "the noblest work of God." Of unflinching will, he shuned [sic] no cross. Fervent in spirit, "the zeal of God's house ate him up." His life, beautiful as truth, no tongue can asperse his memory. "Resigned to the will of God," his end was serene as the twilight of an April eve.

[footstone] M. M.

### The Marshall Martin Plantation Cemetery

- 11. Mary Caroline Tucker, wife of Milton P. Tucker daughter of T. F. and S. K. McGehee Died Nov. 17th 1856 Aged 21 years 11 months. On earth a Christian, in Heaven a saint.
- 12. Sacred to the Memory of three little infants a son of Rev. T. F. & S. K. McGehee a son of H. H. & J. A. Slaton
  [Henry Harris & Jane Ann McGehee Slaton] a daughter of S. M. & M. E. McGehee
  Which are now in the Kingdom of Heaven
  For Christ has said such is the Kingdom.
- 13. A boulder-like stone. Grave marked head & foot with stones.

### ROW III

14. An enormous hunk of granite depicting an almost life-size child clinging to the foot of a cross. The Crowders, who used to live on this plantation and now live across the road, say that in the 1920's a man came from New York(?) and erected this monument which was carved in Italy and cost \$1000, rejoicing that he had finally found his mother's burial place.

On the base of the monument, below the child and the cross, these words are carved in the shape of a cross: "o crux ultima" horizontally, and "spes hominum" vertically.

On the opposite and back side of the base is this verse:
May sunshine flood her grave and gentle rains baptize
May night-soft dews distil and morning gild the skies
'Till resurrection's dawn awakes her sleeping eyes,
God's hand rolls back this stone, His voice bids her arise.
On base, side 3: Seed sown by God to ripen for the harvest.
On base, side 4: Rock of Ages cleft for me
Let me hide myself in thee.

A flat white marble tablet on the ground, in front, is inscribed:

MARY JANE

Sept. 28, 1823 May 21, 1856

Beloved daughter of Alfred and Elizabeth Terry Wellborn

wife of John Cochran and mother of children who rose up and called her blessed.

15. Tall shaft; urn has fallen off the top. Grave much sunken.

ABNER CLEVELAND

Commissioned ensign in 46th regiment, Maury County militia, in 1814. No further information.

JAMES COCHRAN

Served in War of 1812; no record found. Born 2 May 1781, died 30 June 1859; married Jane Miligan; settled in Georgia, then to Tennessee, moved back to Georgia where he married, and finally to Maury County.

Children of James Cochran:

1. William J., born 7 June 1811 in Maury County.

2. No further information.

Source: Goodspeed's History of Maury County, p. 913.

GEORGE COCKBURN

Served as private in Capt. William Dooley's company; commissioned ensign in 27th regiment in 1809; appointed constable of Maury County in 1808, resigned March 1810; enlisted as private 4 Oct. 1813 in Dooley's company; ensign in Capt. Bird S. Hurt's company, enlisting 13 Nov. 1814. One 1820 census age is given as between 26-45. Some deed records for him: 5 April 1819 bought lot 41 from Joseph B. Porter, bounded on south by Free Street, running north to the river. By 5 April 1848 he sold lot 41 to William Galloway and called George Cockburn of Lauderdale County, Ala. (Maury Deed Book C, page 289) On 1837 deed, witness for George Cockburn was George Wesley Cockburn.

Nathan Vaught wrote of him: "This ferry house was at the river at the north east margin of town. This house was a one and half story high with 2 rooms and a large open hall between and the saim above stars and a very rough concern built of very rough logs and it was a very rough place indeed. All kinds of wickedness indulged in this place. This house was put up late in 1806 or quite early in 1807 by a Mr. Geo. Cockburn (pronounced Coburn) he had no Family and was a man of very bad morals. He was the owner of the Ferry for a long time..."

After his move to Alabama he also ran a ferry across the Tennessee River and some members of a Cockburn family are buried in a cemetery on the TVA reservation near the river on the Colbert County side. He will be found in Franklin Co., Ala., on the 1830 census—Colbert was later taken from Franklin County.

Acts of Alabama for 4 Jan. 1832, page 109, 13th session held at Tuscaloosa: "The illegitmate children (not named) of George Cockburn, now of Franklin County, are hereby legitimated..."

Dear Mrs. Strickland,

I was most happy to hear from you. I meant to send you a note and I hope I did. If not, please forgive me - my life has been so hectic for the past six weeks. Now everyone has gone home, and I am trying to get back to my genealogical work. I had some of the information which you sent, but not all by any means. I do appreciate it.

I did not know about the William and John Cochran who served in the Militia from S. C. in the Revolution. I think that William who served from Va. has descendants all over the South and they have collected quite a set of records on that line. It is possible my Cockerhams are related to him in some way, but they are definitely not his descendants.

I have corresponded with several of the descendants of Allen Cochran of the Greene-Jackson Counties area and I do have some data sent by them; I will be happy to send it to you; you probably have most of it already, but perhaps there might be something new there. I had very little except the census records on the others. I had believed that George and Henry were the children of old Wm., but I had not been able to document this. I had only a brief abstract of a pension form on Ezekiel Cowart who had married Margaret Cochran in Barnwell County, S. C. - this was the first lead concerning the place from which these Cockerham-Cochrans had come into Mississippi. I do have a map, which I cannot locate just now, on which the land on which some of these Cowarts (Ezekiel, for one) and Cockerhams lived in Barnwell County, S. C. If you do not have this, I'll be glad to send a copy of mine. I will be delighted to have anything on William and Margaret and the Cowarts which you can send me, as well as anything on their descendants.

My ancestor was John, who settled in Amite County. Many of his descendants still live in the area; some went into Louisiana, and some into Texas. His children were Henry, Thomas, John Jr., David, Nancy, Elizabeth, Phoebe, and two more daughters — I am almost sure one was named Sarah, who married a John Cockerham (have not the faintest idea who he was) and another who married a Tarver — some say her name was Judith, but I have found no evidence for nor against this. There is a family tradition which says that John's wife was part Cherokee; her name may have been Brambley. However, when John (assuming it is the same John) sold his property in Barnwell County a wife named Elizabeth relinquished her dower. She may have been a second wife, but we don't know that. Fortunately, the Amite County, Miss. records are intact; it remains for me to find the records necessary. As you know, Barnwell County records are not complete, and I believe the daughter who married the Tarver did so in S. C. The administration of the estate of Old John took several years, and the estate papers have helped establish several relation ships - marriages, deaths, etc. Some work remains to be done

in Amite County, but not much.

My correspondents on William's line are:

David P. Hurley 202 Oakwood Drive Gulfport, Mississippi 39501

James M. Vickers P. O. Box 322 Semmes, Alabama 36575

If you have corresponded with them, then you probably have all that I have on Allen's line; if not I'll be glad to share what they have sent me. I will be glad to send anything I have on the family of John, anything in which you are interested. I'm sure you don't really want to know all about his descendants, but anything you want, I'll send.

Again, thank you for your letter. I am most interested in exchanging further information on both John and William. I had several letters from other Cochran-Cockerhams, but they all proved to be the line of William Winn, no mine.

Yours truly,

Dear Mrs. Kauffman:

Thank you for your good letter. I can see we correspond with the same people on the Cochrans, so am sure we have much of the same information.

I have however found William Cochran serving in the war of 1812 from Mississippi. He was a private in the First Regiment of Mississippi Volunteers. There is another William Cochran also in the War of 1812, but I believe him to be the one from Clarke County, AL. In checking the men serving in the 1st Regiment of Mississippi Volunteers the names are the familiar ones that you find in Greene, Perry, Jackson Counties, MS so I feel this one to be my William.

William appears in the 1812 Tax Roll for Greene County, MS and the 1813 and 1814 are missing; he does not show up on the 1815 Tax roll and then the 1816 Territorial Census of Greene County shows Margaret Cocheran with 1 white male over 21, 3 white males under 21, 2 white females over 21 and 2 white females under 21. A total of 8 and no husband. Therefore I believe that William died between 1812 and 1816, and wonder if he was killed in the war of 1812 or if he might have died of disease during that time. I have not sent for his service record, but intend to very soon. One of my Hale's from Jackson County, MS died at Ft. Claiborne Alabama of disease during this time. Lucky for me, and administration of his estate was attached to the service record. Maybe I will be this lucky on William Cochran also.

In 1817 Harry Cochran shows up on the Greene County, Tax Rolls. I believe he is my Henry Cochran who married Mary Strickland. Henry and Harry are probably the same person, since the Mormon list of Nicknames shows Harry to be a nickname for Henry.

I would like very much to have a copy of the map showing where the Cowarts and Cockerhams lived in Barnwell County, S.C. That I have not seen. Ezekiel and Margaret Cochran are much interest to us since my husband's great grandfather Louin Adams had several brothers, among them were James and Lewis who married the daughters of Ezekiel and Margaret. James Adams married Elizabeth Cowart and Lewis Adams married Charlotte Cowart. By 1870 Charlotte is a widow and Margaret Cochran Cowart deceased. Ezekiel is living with Charlotte Cowart Adams and is 105 years old. I have been told that he died 2 years later at the residence of someone else in Greene County, MS.

Am sorry that I do not have more that you do not already have. In case you do not have it, want to include the remaining Cochrans who served in the War of 1812 from Mississippi.

Dear Mrs. Strickland,

Note change of address - our area is becoming so crowded, the Postal Service had added rural routes and changed mine.

It has been several years since we have corresponded and I have had little or nothing to add to the Cochran/Cockerham line beyong John and William in Barnwell (Orangeburg) 1790. Recently a correspondent "stumbled" onto what we hope is a real 'breakthrough' on this line. I sent Mr. Hurley a copy. He has probably sent a copy to you and Mrs. Vickers, but he may not have.

I am also sending a copy of a grant applied (able to pay) and the issuance of that grant to a John Cockerham (Cochran) whom we of "Old" John's line think may be our man. If I read the old maps (isn't S. C. maddening with its constant changes of boundaries and names?) Chester County would have been in the Camden District area. In the 1778-1779 Jury lists, there is not one Cochran listed for Chester County. Perhaps the trouble with the Martin Congregation was that John Cochran had already settled near his relatives from Ireland and refused to vacate. I don't suppose we will ever know. In any case, 5 years after having being given the land, in 1778 and 1779, he is shown, along with Benjamin in the Long Cane area (which would be present-day Abbeyville County but was then 96 District. Allen Cochran and Benajmin Cochran had both been granted, earlier, land -Allen on Long Cane and Benjamin in Granville County. As at the time, Granville County extended the entire length of S. C. along and almost parallel to the Savannah River, his location could have been anywhere along that county. In Mrs. Warren's publication, "The Carolina Genealogist", she had an article on the 96 District Jurors, on Long Cane, there was John and Andrew Cochran. In 1779, he appears on the Barnwell (Winton) County tax list, then both he and William are in 1790 census.

I don't know much about the S. C. records, but what we need is an account of the arrival of Irish or Scot-Irish passengers who came to settle. Do you know if there is a published account of such? I have searched the various bibliographies in my own library and can't locate any.

In short, we need something which would enable us to determine if Wm. did in fact come over after 177s from Ireland and when, and where land was granted to him (if any) and to follow the disposition of this land when he went into Barnwell, or he may have been the son of Allen (nowhere could I find an age for Allen, but as he was given 100 acres (same as Benajmin and John), I am, for the moment anyway, that he came without a family. The age of Benjamin was 20 years, and no other Cochrans shown on that ship - same with Benjamin. In any case, I believe we are safe in assuming the family originated in Ireland. I am really excited about this. (I have no idea what to do with the <u>reams</u> of data I

Pascagoula Public Library Local History and Genealogy Dept. Cochran Family 378 of 510

have collected on the various Cockerham lines in Va., N. C. and Ga. as well as the others in S. C., hoping to find some family for our John and William. - I still feel they were related in some fairly close way).

I do agree with Mr. Hurley that this Wm. W. of Arkansas (son of Burrell and Courtney) has their marriage date wrong. Also, his paternal grandfather may have come from Ireland or it may have been his paternal gr-grandfather. I have seen too many cases of persons thinking their father/mother or gr-parents were born in a given state when actually it was a generation earlier. They would hear all their lives that the "Doe" family came from some state and just assumed their parents or grandparents had been born there - a generation off.

I have in the past and am currently enjoying the books on Greene and Perry County. I assume, from the one on marriages, that none of you have identified the other children of Margaret Cochran and Ezekiel Cowart. I have made family sheets, etc. for the descendants of the Benj. in La., the Wm. in Greene-Jackson area, MS, and John of Amite (many desc. into La.) and I see that some I lost you people have also lost.

I recently attended a workshop for which Brent Holcomb was the speaker. He said that Barnwell County records for the period 1785 to 1800 are list but all are intact after 1800. Bad luck for us that this is exactly the time period in which we are interested. In Richard Cote's book, Local and Family History in South Carolina: A Bibliography, he writes, page 213, under the chapter titled "Genealogies and Family Histories" that the Court of Equity Records - Barnwell District, first and second books are extant. I found nothing to indicate the location of these records.

I am interested in your thoughts and comments on all this. I feel at this point we need to all collaborate, if possible on our findings and perhaps we can positively identify our family. Wouldn't that be great after years of following the wrong paths? I f you have any knowledge of S. C. records, (or even if you don't) any suggestions for further research will be welcomed.

Dear Mr. Strickland,

In working on my Cochran history I learned of a Bond Cemetery which I do not think you have included in your Perry County Cemetery records. Thought I would send it to you. It is a short distance from the Fairley Cemetery and east of it.

I also came upon something which you may already know on the Cochran family. For years I have had im my posession a copy of the 1850 Greene County Census showing the enumeration of Burel Cochran on page 46. Enumerated in the household is one Margaret, age 90. Someone had sent me a copy of this record which they had read as "Margaret age 20". Since there was another child age 18 I just accepted it and did not pay much attention to the actual record.

I think this is probably the mother of Burel and age 90 would be about correct. What do you think? Maybe you knew it all the time.

Looking at early census records, prior to 1850, it appears that Burrel probably had five other children who were out of his home by the time the 1850 Census was taken. Do you have any idea who these children may have been.

Sincerely

Dear Mr. Strickland:

Thank you for your letter about the Cochran family. I would be happy to trade information about the Cochrans, but, unfortunately, I'm afraid it would be a poor trade for you.

My wife's family connects with the Cochrans in two ways. In about 1813 Charles Turner, my wife's g.g. grandfather married Nancy Turner. Their granddaughter married my wife's paternal grandfather, Isaiah Roberts Jr.

Isaiah's mother was Margaret Cochran and her father was Allen Cochran.

Now, that much is documented. The rest is family legend, passed along through several generations---and possibly confused in the passing. It seems that Allen and Nancy were (according to the legend) brothers and sister. Now from one side of the family comes the story, long accepted as fact, that Allen's mother's name was Margaret, a widow who shows up in the 1816 census of the Mississippi Territory. From the other comes the accepted fact that Nancy's father was a William Cochran, a veteran of the American Revolution.

I have also found Burrell Cochran in the 1816 and later census and Allen in the 1830 census. Again according to family legend, Allen died about 1848 just west of Mobile, Alabama, probably just accross the Mississippi State line. This probably is at least partly true. By 1860, his wife, Amy Moody, had remarried a man named Backstrom.

To answer your question, I have not found a Cochran-Strickland marriage in the late 1700's or early 1800's, but I will add it to my things to look for, and if I should get lucky, I'll pass it along. I would appreciate anything you might have that would shed light on the parents of Allen and Nancy---either as brother and sister---or proving they were not brother and sister.

Sincerely,

Col. Glen R. Johnson 1766 Ensenada Tres

Dear Jean,

Just a note to let you know I found our exchange of information very interesting and helpful. Should have done it years ago. In addition it created a renewed interest in the Cochran line which has been dorman on my part for about two years. Maybe you can come up with some new ideas and or information on the early Cochrans.

When I got home and was reviewing the information you supplied me I came up with a few questions.

Who is Uncle Slim Cochran? What is his actual name? Who were his parents?

You indicated you had an address for Mrs. Nell Kauffman and I forgot to get it. I last wrote her 1/7/1986 at Rt. #1, Box 207, Georgetown, Texas 78626 and the letter was returned by the post office. Do you have a different address?

I have decided to make an effort to try and identify all of the grand-children of James "Pinhook" Cowart. I know I won't get them all but as many as I can. Enclosed is a copy of a Bible page which lists the children of Julia Weldy and Willey Westy Weldy. Don't think I ever sent to you. It shows five children. Kate Ilene Weldy Holder and hysband are buried in Magnolic Cem., Lucedale according to your George Co. Cemetery book. It shows dates of birth and death of each. I have written Mrs. Govedare, Lucedale to try and get some additional information. She is daughter of Henry Morris Weldy and made this and other records available to me.

One additional question. Who is the father of Caroline Cochran Pylant? You gave me some biographical information on him.

Should you develop some additional grandchildren of "Pinhook" let me know.

You gave me a list of George Reeves and Beaulah Cowarts children which Mrs. Callie Howell Reeves supplied. Did you ever try and get dates of birth for the children listed? If not I would be glad to write her if you haven't if you will send me her address if you know it.

Dear Mr. Strickland:

I hope I have a good clue for you! This in answer to your letter of 31 May. I will write just a hurried note tonight, but hope we will be able to help each other as time goes by. I work and never, never have enough time to do what I want to do in genealogy. Right now I have lots of raw data on the Cochrans and hope that when I take a week off the end of this month I will have sense enough to stay out of the library and work on this stuff I already have rather than just gather more!

I have two marvelous correspondents in the Atlanta area who have recently been reading GA county records at the GA Archives and have send me abstract after abstract. Among them--

Jackson Co., GA Deed Book E. p. 602--Jackson-March 9, 1807 - Recorded May 18, 1812. Drewery Strickland to Jas. Cochran - both of Jackson. 29 ac. at Abner Winn's line (also used initials A. B. Winn). Wit: Solomon Strickland, Elisha Winn.

Now don't get your hopes up too much! This James Cochran seems to have left daughters only and we have their married names. I have a very brief abstract of the will of a James Cochran in Jackson Co. /d/ 1828 /p/ Sept. Term 1838. (These dates as given me by my correspondent, Joan Young) Estate to be divided between wife, Mary, and daughters Judith Winn, Ann Key and Jane Thurmond. Ex: Elisha Winn, Tandy Key and Harrison Thurmond.———I have record of the m. of Ann Cochran and Tandy Key. Right now can't find it. I might even have the m. of the other girls, but simply don't have time to go through everything now. Anyway, it seems quite probable that Elisha Winn and Harrison Thurmond were their husbands. James' wife, Mary, also left a will naming these same three daus., but she also named "my son Wilkes." My correspondent says Mary Cochran was the widow Wilkes (nee' Elton) when she m. James Cochran and that this son was named Simeon Wilkes. Mary Cochran's exrs. were Harrison Thurmond, Elisha Winn and Abner Delaperrier. She had mentioned her granddau. Mary Ann Delaperrier in her will, too.

1830 census of Jackson co., GA shows James Cochran aged 50-60 and 1 female 60-70.

There were several other Cochrans in Jackson co. earlier, but none other than James on 1820 census. However, in GA, one must look in many counties. The people there never seemed to stay put. We do not know who this James in Jackson was. We have more deed info, etc., but so far have not connected him with other Cochrans, though there must have been a relationship. One small hint of a connection lies in the following--

Pike Co., GA Book A, p. 200. Jasper Co. - 22 April 1820. Registered 1824. Wm. Day of Gwinnett to Robert Cochran of Henry. \$300 - 202 a. in GA Military

Pascagoula Public Library
Local History and Genealogy Dept.
Cochran Family 383 of 510

Dist. 10 of Monroe - Lot #96. Wit: Patsy Burks, James L. Burks.

(Unintentionally I have shown you with the above deed the necessity of looking in other counties in GA for the names in which one is interested. Here is a deed in Pike County, headed Jasper County, for land in Monroe County, and the two principals of of Gwinnett and Henry! This is a perfect example of what I mean.) Anyway--the names Patsy Burks and James L. Burks are interesting re Strickland. In Jasper County, GA, 18 Sep 1811, James L. Burks m. Patsey Robinson and they were married by Solomon Strickland, JIC! I am not preapared to say that this is the same James L. and Patsy Burks who witnessed the Cochran deed quoted above, but feel certain that they are. So, how do Solomon Strickland, the Burks, Robert Cochran, and James Cochran fit together--if, indeed, they do fit together????

There were Cochrans in Jasper County, and, in fact, it is in Jasper County that my two correspondents hit a snag. In the late a8-teens, Julia Benson Cochran m. Noah Smith in Jasper County, her sister, Nancy, marrying Wm. Speer the same day. We cannot identify Julia and Nancy--nor Noah Smith. It is FRUSTRATING! I really feel we three must have gathered more data than anyone recently on Cochrans and related families in GA, and have found no clue to help Joan Young and Mary Gene Elliott!!! As I have time, and if you are interested, I can send you GA data. I am really hoping to put you to work trying to work out the Jackson co. bunch, as that is a family on whom we have not concentrated whatsoever. When I can get to the library and Xerox some pages, I can send you Cochran deed info, etc. It is just more than I have time to type. I won't do this until I know if you are interested.

I would love to have any Cochran info you have. I have the MS census through 1850, but would appreciate anything on the years beyond 1850.

I really wish I could be of more positive help, but feel that at least, I have furnished a hint.

I would look for Solomon Cochran in the 1850 MS census (I have almost the whole state) but just today lent my data on this census to Mr. Cohen Cochran here in Memphis so he could Xerox it at his office. He will return it to me within the next few days, and then I will search to see if I see any little baby boy who might be Solomon. I do not recall seeing that name, but may have seen it & forgotten.

Sincerely,

Mary Gregg

Dear Jean:

PASCAGOULA LIBRARY GENEALOGY COLLECTION DO NOT CIRCULATE

Thank you so much for your help. I checked the death certificate at the Archives for the William David Cochran, buried at Whitehouse Cem. It shows father Richard Cochran and Mary Walley, all of Green?. I guess they were talking about Greene County Miss. I do not think he is the son of my David Cochran.

The death certificate for Henry Clay Cochran does not show parents names. I think he is the son of my David Cochran. We were looking for some of these grandchildren's marriage records in Choctaw County Ala. and on the same page with one of them was the marriage of a David S. Cochran to Martha Jennings in 1873. We had been told that David's second wife was Sarah Jennings and from someone else Martha "Ellen" Pylant. I think that this marriage was our David Cochran and Martha may have been a widow and this was her second marriage. This family has a history of brothers marrying sisters, etc. Martha could have been the sister of George Minor Pylant, ages close enough to each other, George Minor Pylant ca 1848 and Martha ca 1850.

I haven't been able to pin point David's location in SC but do think that this is him in Harris County GA in 1830 & 1840. The children born from 1830 thru 1836 say born GA, the one born 1841 said Ala. on census records. I have now decided that David Cochran was in Pike County Ala. in 1860 and just was missed. In 1850 he and his son-in-law Rufus Baygents were there, next door to each other. Both are missing on the 1860. In 1870 they are there, with one household between them, I checked the other names before and after them on the 1850 census. Those listed before them are not recorded on the 1860 but the ones after them were. The census taker just missed a road.

I hope that my next Ala. trip can include a visit to Chambers County Ala. and then across into Harris County GA. I can't prove that his father is this Thomas Cochran and mother Sarah, but since his first son was named Thomas and he named a daughter Sarah I plan to start with Thomas and see what I can find. In this family I am having better luck with the daughters than with the sons.

David Cochran is reported to have fought in the Mexican War and we have been told his name is on the monument at the Battle of San Jacinto. I have been waiting to get a little more information before I order records from the National Archives. I feel that he would have fought in a Georgia unit.

Have you ever written to Mrs. Thad Cochran? I have been told that she has done a lot of research on the Cochran family. I just have never taken the time to write to her.

In the same cemetery with all of these Pylant brothers in Lamar County Miss. is a Sarah Caroline Pylant Boutwell June 6, 1877/June 8 1966. I think she was the female S. C. on the census in the household of George Minor Pylant and also the Callie Pylant married to Samp Boutwell per the Wayne County "Hunting for Bears".

Per an index at the Court House in Troy Ala.(Pike Cty) I noticed two marriages for a H. C. Cochran, 1st to Mary G. Johns 12th Feb. 1869, 2nd to Nancy M. Hughes 23rd August 1874. I certainly think this is Henry Clay Cochran. I was looking at my notes again last night and noticed that Martha Cochran was on the marriage index as Martha C. C. Cochran. I am sure these are the same folks.

I have almost worn out your Wayne County Cememtery books at the Archives, I pull every day with a new name!

Information on the family of DAVID COCHRAN:

From the death certificate of John D. McMichael, we learned that his mother was ELIZABETH COCHRAN.

the following marriage record:

From the Marriage records in Pike County a SARAH ANN COCHRAN married RUFUS BAYGENTS 10th August 1848, Book 1, Page 378. She along with Elizabeth Cochran who married John McMichael are thought to be the children of David and Elizabeth. The Rufus Baygents family is living next door to the David Cochran family on the 1850 census.

I have not been able to locate this family on the 1860 Ala. census. I feel that we need to check Georgia in case they went back for a visit.

In 1870 they are located again in Pike County Ala. 1870 Pike County Ala. Census Page 325 DAVID COCHRAN 61MW, 3,000/1,500 born SC ELIZABETH COCHRAN 59FW, born GA HENRY C. COCHRAN 22MW, born Ala. PINCKNEY COCHRAN 17MW, born Ala.

1830 FEDERAL CENSUS RECORDS

Since the older children were born in Georgia, I checked the 1830 GA census and located a family listed in Harris County GA that may be David Cochran (age 15-20? but married). In 1830 also living in Harris County Ga is a THOMAS COCHRAN that could be his father (40-50).

1840 FEDERAL CENSUS RECORDS

In 1840 both of these Cochran families are still listed in Harris County Georgia census.

DAVID COCHRAN as D. Cochran(age 30-40) THOMAS COCHRAN as T. Cochran(age 50-60)

An additional 1850 FEDERAL CENSUS RECORD OF A COCHRAN FAMILY

In 1850 in Chambers County Ala. there is a THOMAS COCHRAN listed that maybe the above THOMAS COCHRAN page 362 age 63 born SC (1787). His wife per this 1850 census was SARAH COCHRAN age 65 born SC (1785). There is no proof on this family line. We need to check the records in Harris County Ga. & Chambers County Ala. (just across state line from each other).

Mrs. Jean Strickland P. O. Box 5147 Moss Point, MS 39563

Dear Jean:

Again, I ask your help! I am working a line of Cochran's from SC, thru GA, lived in Pike County Ala. in 1850 & 1870. He, DAVID COCHRAN born SC ca. 1809, is reported to have died in Wayne County Miss. Easter Sunday either 1905 or 1906. I am sending some brief information on his family as I show it.

Today at the Archives I pulled your book "Who Married Whom, Wayne County Miss." and discovered a listing on Page 33 that I believe is him. The 1850 & 1870 census records of Pike County Ala. shows a wife, Elizabeth born ca 1811 SC. In the Pike County Ala. marriage records three of his daughters marry, Elizabeth Cochran married John C. McMichael (my line), Sarah Ann Cochran married Rufus Baygents (descendants in Wayne County now also) and a daughter Martha Cochran married a George M. Pylant.

Just recently, info came me that two of the granddaughters of Elizabeth Cochran and John C. McMichael married Pylants. All of these Pylants, that marry my McMichaels, are buried in Lamar County Miss. I have begun to wonder if they were brothers and the children of David's Martha Cochran and George M. Pylant. I think they are the George Minor Pylant and Caroline Cochran of page 157 Who Married Whom, Wayne Cty.

Elizabeth Cochran McMichael named a daughter Sarah Caroline McMichael. Now after finding this information in your book, I think that Martha Cochran is the same as Caroline Cochran and the mother of these two Pylants. The marker in the Coaltown Cem. for the person I think is Wallace T. Pylant is shown as Thomas W. Pylant, born 27th May 1868. I found him last week on a census of 1900 with a wife, Nancy C. Lula McMichael was his 2nd or 3rd wife. On page 33, the Henry Clay Cochran and the William David Cochran ages match to sons of David Cochran per the Pike County Ala. census.

To confuse the matter more, Elizabeth Cochran McMichael had a daughter Joanne Theodocia "Docia" McMichael, born 14th Dec. 1863, who married Wiley Hutto. They are believed to have lived and died in Ala. These Hutto's could have been relatives.

I have never found "my" David Cochran on the 1880 census, if you have a Wayne County 1880 census reference I would apprecaite it. Do you know anyone working on this Cochran-Pylant line? If so I would love to have their name and address, so that I may contact them. I noticed that you are interested in the Cochran line, any help appreciated.

Your information on my Davis line from the book "Who Married Whom, Perry County Miss." was a big help and I appreciate your assistance. I was not able to talk to Mrs. Bornemann, she is in a nursing home. Her information in the Batson book, that you referred me to, gave me new avenues of research to check. Thanks again.

June 25, 1983

Dear Ben,

It has been quite a few months since I last contacted you. In one of my previous letter I mentioned I was researching the family of Amaziah Cochran the son of Burrel Cochran and grandson of William Cochran. It turned out to be more complicated than I had figured and I am not finished as yet.

Enclosed are the children of Amaziah Cochran by his first and second wife and what  ${\rm I}$  have regarding their birth, marriage and death. I also have all the grandchildren, I think, but still need some additional facts regarding some of them. Will send you that at a later date.

As usual my investigation changes some family history as handed down by word of mouth and etc. The tombstone on the grave of Amaziah Cochran lists his date of death as 5/5/1920 and that he was 97 years of age. This would place his year of birth as 1822 or 1823 which I don't think is correct. He is enumerated in the household of Burrel Cochran in the 1850 Census and his age is shown as 16 which would place his year of birth as 1833 or 1834. In the 1860 Census he is enumerated in the household of Courtney Cochran, apparently Burrel is deceased. The age of Amaziah is shown as 24 placing his year of birth as 1835 or 1836. Also Civil war records show his age as 30 and from Greene Co. in 1863 when paroled at Mobile, Ala. Looks like to me he was about 85 when he died.

Don't know if you were ever acquainted with Thomas I. Ball from Louisville, Ky. or not but he researched the Ball family for better than 30 years. He died several months ago and before he completed and had published a book on the Ball family. Fortunately he had a manuscript typed but it needed some corrections. The Ball family settled in Mississippi when it was the Mississippi Territory. I have a copy of his efforts if you ever need anything on the Ball family.

Don't know if you are aware of it or not but a Mrs. Anderson has opened a genealogical library in Gulfport which is good and growing daily. She is young and apparently has plenty of money and purchasing book daily. I have only been in a few times but she has stacks of books which she adds every day. Think it is open Wednesday through Saturday.

Since my last letter <sup>I</sup> made a trip to the Washington D. C. area and spent two days doing research at the Hall of Records, Annapolis, Md. All of their records are prior to 1800 and very complete as Maryland records go. My cousin who lives in Md. has done a lot of research on the Hurley family and traced it from Md. to eastern N. C. prior to Rev. War. We can trace the family from 1800 Census in Ashe Co., N. C. to date but Ashe is in western part and we have one weak link getting the family from easter N. C. to Ashe Co. For the past six months this has been my main effort.

Are you and your wife working on any additional books at the present time. I am sure you will keep me posted. I wish you would do a book on the Cochran Family. I have a lot of information which I would be glad to let you use. Seems I have too many lines and can't specialize on any one family. Still hope to meet you in person some day as talking may produce some interesting results.

## 2/24/1989

Dear Jean,

I think our letters passed in the mail. Appreciate the information on the family of William Monroe Cowart and the newspaper article. I wonder what the outcome was on the shooting?

The purpose of this letter is to send you some additional information concerning the family of William Monroe Cowart and also several questions as to dates which you may or may not be able to resolve.

When you sent me the certificate of death for William Monre Cowart and I saw he was buried in Orange Grove Cemetery I incorrectly assumed the cemetery was located in Orange Grove in Harrison Co. After a bit of research yesterday I now think it is located in Jackson Co. and referred to in Requiem Vol. 2 of Jackson Co. Cemeteries. I reviewed the tombstones listed and did not see one for William Monroe Cowart or Hannah Elizabeth Jones Monroe, his wife. I assume both are buried there without tombstones or markers. Do you agree?

You showed as your source Jackson Co. Census and I assume You got the names of the children and birth information from the census. If you made copies of the actual census records showing this could you send me a copy of same if possible. I like to have the original source where possible.

I reviewed Requiems Vol. 1, 2, and 3 and came up with some additional information and also some information which did not agree with what you sent me. This is what I found and you may already have it?

I tried looking up the other children in the books I have and came up with nothing. Thought you might like this additional information.

PS: I wrote MS State Dept. of Health for Certificate of Death for Andrew Jackson Cowart. Where did you get date of death 12/26/1912?

Sincerely,

May 10. 1984

Dear Ben,

Appreciate your letter and I intended to write after meeting you at the Genealogical meeting but have not found time to do so. ON St. Patrick's day, 3/17/1984 Celeste and I attended the parade in Biloxi and I actually marched in it. We came home about opm ate spareribs for supper and went tobed. About 10:45pm she went to the bathroom and upon returning fell and broke the upper bone in her leg near her hip. To make a long story short she was in the hospital better than two weeks and since then has been at home. For the first month it was a wheel chair only and now she is using a walker but no weight on the injured leg. Needless to say it has changed up our plans and we have not been able to visit Dallas and see our new grandson who was born after all this happened. She is becomming more active and we hope the worst is over.

I have enclosed copies showing the children of William David Cochran and the children of Amaziah Cochran by each of his two wives. I made a cursory check with the information you sent and note that some dates do not agree. Some of my sources are shown at the bottom of the page. I think that most of my dates are correct or as near correct as possible. Maybe some time at a future date we can get together and go over what I have with what you and your wife have. I thought it better to send you everything rather than try to fill in the blanks in the information you sent. How soon do you expect to publish the book?

As you know I received a coy of your book WHO MARRIED WHOM IN GREENE COUNTY and to date have not had time to really study and compare it with what I have on the Cochran and Cowart Families. I did find some differences which are to be expected.

The pictures you mentioned sound interesting and yes I would be interested in copies of both of them. If you will have copies made and let me know what they cost I will be glad to pay for same. I have not done much regarding the family of Martin Cochran and most of my information came from the Vickers in Semmes Alabama. Thought their information and mine would agree. I have not seen them in person for several years but we do write at times.

I promised you some cemetery information when I saw you last but have not looked t us as yet. Will try to do it before too long.

If you do get additional information regarding the military service of William Cochran in war of 1812 I would also be interested in a copy of same. I am still trying to develop additional information on the early pary of the life of William Cochran but it is difficult.

Hope the enclose will be of some help and that it does not raise too many questions. I also have complete information on the families of the children of William David and Amaziah if they are needed for the book on which you are doing. Both families were living in Perry County at the time of the birth of their children.

Sincerely, Wa

Dear Mrs. Howell:

Thank you for your good letter. I agree, I hope we can straighten this out. So many Cochran's I've written to say that they never heard of Henry, but he could be a son of William and Margaret Cochran because no one is sure how many children that they had.

Yes I have the Strickland book by Cola Walters. They just skip one entire generation in this book. They go from David to Simeon S. Strickland or Sim Jr. The correct line goes from David, Simeon Sr. who married Jennie Hale and the Simeon S or Sim Jr. I am enclosing some documents that I feel prove my point.

Last weekend we were in Wayne County to attent the Mill-Davis reunion at Clara, and spent one of our three days talking to people in the area. On Saturday we talked to Luke McLain who is around 90. He is very alert and his mind is clear. He is the grandson of the Matilda McLain who made the enclosed affidavit concerning Simeon and Jennie Hale. Luke McLain is the son Alexander MoLain, Jr and Catherine Walley Alexander McLain's first wife was Bedie Cochran who he says was the sister of Solomon (who was called Doc) Cochran. That would give Henry and Mary another child that I did not know about. She would have been born around 1644. We hope to go back and talk to him again and ask some more questions. Another couple were with us and they were asking him questions also so I hesitated to ask too many all at once. Being the grandson of Matilda McLain, he should be a fairly reliable source.

One of the descendants of Simeon Strickland, Jr. has a little book that belonged to him. In it are notes on births and deaths and bushels of corn and day laborers he hired etc. He writes in it that he bought the book from Doc Cochran, which is Solomon Cochran.

Also another bit of evidence is that Henry C. Cochran and Mary Jane Reeves had a son who was 6 in 1880 and his name was Simeon. Probably named for Henry C.\*s grandfather Simeon Strickland.

I would like very much to see a copy of the land grant Henry Cochran received from the land office in Augusta. I am trying to buy from the National Archives a roll of microfilm which contains the records of the land office at Augusta. I am hoping to find some information about the people who applied for land. I have been told that this roll contains such information. Haven't heard from them yet, but hope to soon.

Ben is so excited. Just two weeks ago we found Mary Ellen Childress Rouse of Lucedale whose great grandmather Elizabeth Adams Childress and his great grandfather Lewin Adams were brother and sister. These Adams and and their kin the Ranagers and Clarks lived at Cross Roads.

Cochran Family 406 of 510

page 2

Have you ever heard that Henry Cochran's middle name was Turner? I have heard this and it could be possible since the Cochrans married Turners in North or South Carolina and in Mississippi also.

The catch to all this is that we do not know just how Ben's grandfather Henry Strickland fits into this family. We have searched for 25 years and still do not know. We do know that he sometimes stayed with Solomon and Lucretia Strickland who raised Solomon Cochran and sometimes stayed with Preston Stinson family. He is never found with his parents. He was not the son of Solomon and Lucretia Strickland as they never had any children of their own. Lucretia states in the 1900 census that she never had any children and also in her Pension application. We think that Henry Strickland was named for Henry Cochran.

Do you know why your father was named Preston? Was he named for someone in his mothers family or because his parents liked the name.

I may not have explained all this so you can undrestand it. I have difficulty putting down on paper what I am thinking.

Just had another thought. I wonder if the Alexander in John Alexander Cochran's name was for Alexander McLean (McLain) whose wife made the affidavit naming Simeon and Jennie Hale Strickland's children. He was a prominent man in Greene County, Sheriff at one time Ib believe and a school teacher.

We are looking forward to hearing from you again and knowing what you think of all this.

Sincerely,

P. S. Do you have John's will? I copied it from microfilm of Greene County Wills if you do not have it.

#### SIMEON STRICKIAND & JANE (Jennie) HALE

Jane (Jennie) Hale was the daughter of Samuel Hale and Creek Woman. Thomas S. Woodward in his Reminiscences of the Creek Indians speaks of the Hales as being half breed Creeks. Jennie Hale came to Mississippi from Fishertonm, Alabama where she lived with her brothers, Samuel and David Hale. According to the Territorial Papers, Vol. ... Alabama Territory, by C. E. Carter, Fishertown, Al was located on the Alabama River in Monroe County, near Fort Claiborne.

Samuel Hale had a business in Blakeley, Alabama and signed a petition to Congress by the Merchants of Blakeley December 22, 1818. William Chase also signed this petition. Samuel Hale died in Baldwin County Alabama sometime before February 12, 1823. Probate Court Minutes, earliest book has the following: State of Alabama, Baldwin County, County Court Feb. 12, 1823 - An application of W. Chase for temporary letters of administration on the estate of Samuel Hale deceased. Ordered by the court that the application of W. Chase be granted and the court approved of William Merriam and Peter Sears as bondsmen. /s/ Silvester Bile.

Simeon Strickland served in the War of 1812 at Fort Claborne on the Alabama River from April 23, 1814 to October 22, 1814. Simeon Strickland came to Mississippi, Wayne County, in 1811 along with his brothers Solomon and John. According to family tradition, they were the sons of David Strickland. Solomon married Sarah Roberts and is not found in southeastern Mississippi after he appears on the 1823 Tax Roll of Perry County. John married Margaret Cole or Carney and is found in Greene, Wayne, Jones and Jasper County where he died between 1840 and 1850.

According to J. F. H. Claiborne in his Trip Through the Piney
Woods Simeon Strickland was sheriff of Wayne County scmetime
around 1832. Claiborne says that in 1840, he crossed the river
at Winchester going west and that he stopped at Stricklands house,
late sheriff of the county. Simeon Strickland, according to family
tradition, died from a fall from his horse while sheriff. Simeon
Strickland appears on the tax roll for Wayne County in 1832. In
1833 the tax roll show Mrs. Strickland as owning 3 slaves and in
1834 the tax rolls show Mrs. Jane Strickland. Jane Strickland
continues to show on the tax rolls until 1841 when John W. Strickland
appears as guardian of his younger brothers and sisters. In Jones
County, MS deed book A, page 103, May 3rd 1838 John W. Strickland,
Administrator on the estate of Simion Strickland deceased of the
county of Wayne and State of Missiasippi sells land to John Strickland
and his wife Margaret of the county of Jasper and state Mississippi.

page 2

Simeon and Jennie Hale Strickland had the following children:

- 1. Mary (Polly) born on 1804 married Henry Cochran
- 2. Elizabeth born ca 1805 married William Isaac Henderson Both buried at Henderson Cametery, near Plays, Green County, MS
- 3. John We born on 1807 married Harriet Palmer

- 5. Nancy born ca 1815 married William H. Hartley
- 6. Margaret Ann born on 1820 married Alfred D. Carlisle

- 8. Simeon S. bor a 1822 married Eliza Moulds. CSA
- 9. Patience born ca 1827 married Alexander Dupriest

Dear Mrs. Kauffman:

Thank you so much for your good letter and the map of Barnwell. It is great. Not only were the Cochrans, and Cowarts There I found S. Roberts who I think is samuel Roberts that I have been looking for - especially since there are two Wilson families there and Samuel Roberts is said to have married Virginia Wilson and their daughter Sarah to have married Sol Strickland, who was in Greene and Perry County, MS early.

Enclosed is a small amount to help on the postage and the copies. I really appreciate the map.

As for what to look for in S.C. on the Cochrans, I do not know what to say. The only thing I have found recently is the will of Mary Cochran filed 8-20-1830 (which would appear to be too late) unless she named some of those who migrated to Mississippi. I locked at the General Index to the Probate Court Recrods at the Maxmon Library in Pensacola and that was the only Cochran I found in the entire index. It is located in Pack 9, case 53.

In 1850 in the 7th Division beginning with house #104 9-2-1850 the Adams and Cowarts are all living next to each other. James Adams and Elizabeth Cowart Adams are living with Ezekiel nad Margaret Cochran Cowart.

I do not know who all of Ezekiel and Margarets children were. Wish I did. I have spent someth time trying to figure out my husband's Strickland

Pascagoula Public Library Local History and Genealogy Dept. Cochran Family 411 of 510

I have not worked on his Adams line much. I recently read that Ezekiel Cowart lived to be a 108 or 109 and died at the residence of John Bramnon, Vernal, MS. The relationship between John Bramnon and Ezekiel was not given. Have you ever heard of any one else who had looked for 25 years for their great grandparents and still hasn't found them? That is the case with us and my husband's great grandparents on the Strickland side.

I'm sorty that I am not more help on the Cochran's. I am working on transuribing Washington County, Tax Rell (Mississippi Territory that is) from 1803 thru 1817. From 1803 to 1809 that will include all of Wayne, Green, Perry etc north of the 31st parallel and west to Adams county. The part that I have looked at gives more information than any tax roll I have looked at before. Maybe it will reveal something on the Cochrans and if it does I will let you know.

Thanks again for the map and good information.

Sincerely,

Feburary 9, 1990

Dear Jean,

I appreciate the updated information you sent me on the Cochran Family and in particular the information on Burrell Cochran. I was not aware that from time to time you updated the information in the book WHO MARRIED WHOM IN GREENE COUNTY, MISSISSIPPI. In the biography of William W. Cochran, sonof Burrel, he listed all twelve children and I think I gave you a copy from the book entitled, BIOGRAPHICAL AND HISTORICAL MEMO OF SOUTHERN ARKANSAS. If you don't have it please let me know and I will send you a copy.

I have finished the first part of the chapter on Burrell Cochran and his descendants, that is the part on Burrel Cochran, and now I start the harder part on the descendants. I have come up with a problem and just noticed it today. In WHO MARRIED WHOM IN GREENE COUNTY it shows that Burrel Cochran was born 1792 and was wondering where you came up with this date. I have a photocopy of the 1850 Greene County Census and Burel Cockhan is clearly shown as 68 years of age which would give us a date of birth as 1782 which is ten years earlier, This is the only census which shows an exact age as he was not enumerated in the 1860 Census as he died 1853 according to the biography.

I also have an affidavit sworn to by Burrell Cochran which is dated April 17, 1851 which shows his age as 57 or 58 which would make his year of birth 1793 or 1794 which is younger than what Itfigure and earlier than the date shown in WHO MARRIED WHOM IN GREEN COUNTY.

To complicate matter more William W. Cochran states in the biography said that his father and mother were both born in S. C., I agree, during 1788 which is a different date of birth. Also I don't think Courtney Cowart Cochran was bornthat early. 1850 and 1860 Gensus show ages of 44 58 which would have her born during the early 1800s.

When you get get a chance let me know what you this about the date of Birth for Burrell Cochran. Also does the history of Jackson County have any articles on the Cochran Family?

Celeste and I have a Mardi Gras ball to attend tonight; however, as soon as Mardi Gras is over I hope to spend more time on the book.

Sincerely.

#### Dear Jean:

I hope that this letter finds you healthy and happy in your retirement. I continue to try to unlock my "mystery" of who Mary Ann Cochran belonged to in old Wayne and Greene County. I have enclosed some printouts with data as I have compiled so far concerning these folks. I hope that you can find a few minutes to read it and then pass on to Pat if she is interested. I will confine my request to a few questions that you may be able to shed some light on.

- 1. I am trying to determine if there was kinship in any way between Mary Ann Cochran and Britt Hart of Bogue Chitto and Jackson, Mississippi. I believe it is a relationship between his first wife "Fannie Lloyd". Does any of your data concerning Cochrans or their wives show a "Lloyd Connection". If mother's notes are correct then Mary Ann had to have had a "sister" who married a Lloyd. This lady would have been born about the same time as Mary Ann and probably in the Washington District, Mississippi Territory. Are any Lloyds present during that time period. Britt also married a Mammie Smith after 1900 which I believe eliminates her because surely Mary Ann was dead before 1900.
- 2. I also need guidance in developing more data on my "Loftons". See my story concerning them. I have reason to believe that some of my relatives were also in the Petal area and Taylorsville area, but have not connected them back to Van Lofton or George Lofton of Mobile 1850. Do you know any of these folks? It would help if I found out what was the names of the children that had initials for names after 1870 in the census reports.

Thanking you for all your previous help and friendship! I am enclosing a "Dyess Printout" that you should find interesting.

Respectfully,

Donald Logan

Dear Mrs. Strickland:

I do believe your husband and I are cousins. It seems that everyone of the older Cochran people that I have asked about a Henry Cochran, say they don't know about Henry, but they heard of a Harry who was our ancestor.

I really would like for us to try and straighten this out. The 1850 census as you probably already know, has Henry Cochran and his wife Mary and their children.

I have seen a land grant to Henry Cochran in Greene County at Augusta in 1820, just before it became Perry County, presumably. This document belongs to a Mrs. Dixon here who is living on what I believe to be the old Estate. She is going to let me copy all these documents.

I would also like to know more about the Indian history. Do you have the Strickland book put out by Cola Walters, Rt.4, Laurel, Miss. 39440. She has some mistakes according to the letter you wrote me. She has David instead of Simeon who married Jenny Hale.

Soloman could very easy be a child, but the youngest child I have for them was Florence Louvenia (Lowenia) Cochran born 10/1/1841, and died 10/22/1888, she married George Wood.

Do you have a birth on henry? All I can find is the census which is about 1790.

I Will close for now hoping to hear from you real soon.

Thank you,

Mrs. Willard (Ann) Howell P.O. Box 731 Lucedale, Miss. 39452 I don't know whether you can make header tails out of this but please let me hear from you, Cochran 441 I believe this is two.

> A Brief Account of David Strickland Simeon Strick LAND + Jenny HAle

The history of the Strickland family begins with David Strickland. In the last part of the 1700's David Strickland married Jenny Hale, a Chocaw Indian maid. She chose to become David's wife in preference to continuing the journey with her family to the Oklahoma Territory. Information concerning David and Jenny Strickland is fragmentary, however, we do know that seven children were born to their union. Their names-

## I. Solomon Strickland

Solomon (Uncle Bud) Strickland married a (Miss Creasy) Her first name is not known.

### II. John Strickland

John Strickland was married, however, no information as to who he married could be found.

#### III. Bolly Strickland

Mary
(Polly) Strickland married a Mr. Cochran. Again, no one can remember his first name.

#### IV. Ann Strickland

Ann Strickland, David and Jenny's fourth child, married Alford Carlisle.

# Strickland

The fifth child of David and Jenny Strickland married Alex Dupree. Many of the old records were destroyed by fire and no one seems to remember Mrs. Dupree's first name.

#### VI. Elizabeth Strickland

Elizabeth (Betsy) Strickland married William (Bill) Henderson. One son was born to this union. His given name was Lafe.

A. Lafe Henderson married Sarah Ann

A. Lafe Henderson married Sarah Ann Mills, (First marriage). Lafe Henderson married Spicy Kattrel, (Second marriage).

## VII. Simeon Strickland

Simeon (Sim) Strickland, the youngest child of David and Jenny Strickland, married Eliza Moulds.

Dear Mr. Strickland,

I enjoyed your letter of 2/26/1978, and the information contained it was most interesting.

I am acquainted with Col. Johnson and we have corresponded several times and had one meeting together and compared hotes. We are agreeable on most notes and neither have the documentation which we would like showing the Children of William and his wife, who I think was Margaret.

Just this week I did receive information from a Bible record which stated that the brothers of Allen were Burl and Harry. Harry is new to me so we do keep adding bits of information on the Cochran family.

I own very few reference books; however, the research that I have conducted never made reference to the name strickland, until I received your letter. I just checked the index to Passports issued by Gov. of Ga. 1785-1820 and there is none listed to anyone by the name of Strickland, as you are probably aware.

Also the index to the Barnwell and Orange Co. S. C. Census for 1850 are negative as to Strickland.

I have considerable information on the Coward/ Cowart line as that line figures in my wife's genealogical lines. I was wondering if you have seen the book, OUR COWART FAMILY by Marion and Nancy Cawoart Brunson. I do not have a copy and none are available; however, I have copies part of the book. I could send you copies of about 13 pages which would give you good information on the early Coward family. The Cowards came from the Barnwelll Dist of S. C., where they lived close to William Cochran.

Ezekiel Cowart, who lived to be 108 or 109, died at the residence of John Brannon, Vernal, Miss. He was married to Margaret Cochran 2/25/1797, Barnwell District of S. C. and I think this Margaret is the daughter of William and Margaret Cochran who came to Miss. 1809-1810.

Also courtney Cowart, who you mentioned in your letter is the daugher of Edward Cowart, wife unknown, who is the brother of Ezekiel, who lived to be over 100, and both are the sons of Ezekiel and Elizabeth Barfield Cowart. They had a total of eight sons and three daughters and most of them came to Mississippi to live.

I am enclosing a sheet showing the children of Henry and Mary Cochran compiled by Mrs. Howell of Lucedale, Miss. who has done some work on this line. I have not done too much on this line.

You many want to copy information on page 148 of 1840 Greene Co. Census which shows Henry Cocksham (Cochran) and next to this name is William Cocksham (Jr.) who I think is a brother and that both are the children of William and Margaret Cochran.

This same Henry is the the 1850 and 1860, page 29, Census for Greene County. I don't know if it checked 1870 or not. If you do let me know.

Pascagoula Public Library Local History and Genealogy Dept. Cochran Family 419 of 510

There is also a rage concerning the family of Henry C. Cochran and his wife Mary. He was the first son of Henry mentioned on the previous page. I have seen his grave in the Old Salem Cemetery out from Merrell, Ms. but the cemeter is hard to find. He enlisted in the CSA 9/1862, served in Co. A ofthe 9th Miss Calvary and was captured 12/1864. He was sent to Ship Island and finally discharged 5/1885 at Ship Island.

 $^{\rm T}\!h{\rm is}$  letter wanders a bit but hope you can follow it and that it may be of assistance. Let me know about the information on the  $^{\rm C}\!o{\rm ward}/$  Cowart Family in the book.

Sincerely,

David P. Hurley

Dear Mrs. Kauffman:

In going through some back issues of Family Puzzlers I found your query on the Cochran family. Then I realised that you had purchased a copy of our Perry County, MS records also. (Thank you).

My husband's Stricklands in Wayne, Greene and Perry Counties ties in with the Cochran's there and we have corresponded with several people who are of these Cochran families. Just recently we visited with Keith Cochran in Richmon, MS and copied the old Cochran cemetery on his land.

You may already have all the information that I am sending, but will send it amy way, just in case you do not have it. Most of the people that we have corresponded with are of the same opinion, but all say that they lack firm documentation of their theories.

Passports Issued by Governors of Georgia 1785-1809 page 268 - Monday 12th of December 1808

On recommendation

ORDERED

That passports through the Creek nation be prepared as after mentioned to wit - One for John Cookran and his family - One for Hardy Coward and his family - One for Semuel Slade and his family - and one for William Cockran and his family which were presented and signed.

They were from Barnwell District, S. C. William settled in Greene County and John in Amite County, MS. Most of the Cochran's think that William's wife was Margaret Cochran who appears as a widow in the 1830 census of Greene County, MS. William Cochran, Sr. served in the Militia as a Private during the Revolutionary War from the state of S. C. As a result of this service he received land grants in what is now Barnwell County, S.C. 8-7-1797. John Cochran(who is probably his brother) served in the S. C. Militia and also obtained land grants for this service.

There is emother William Cochran who served in the Revolutionary War who is from Virginia. He settled in Clarke County, Alabama very early. The early records of Clarke County, Al begin in 1812 and are very complete. This William Cochran was a very prominent men and served in several public offices. When I was researching Stinson's in Clarke County, AL I came across his name every few pages.

In May 1809 several Cochrane signed a petition from the inhabitarts of the territory (Mississippi) east of the Pearl River. William Cookrem, Sr. Burrell Cookrem, George Cockrem and William Cookrem, Jr. I found George Cookrem several times listed in the American State Fapers, Vol. 8, Public Lands as a resident cast of the Pearl River.

In June, 1815 Burwell Cochran shows a land claim dated 1810 on the Leaf River in Section 3, Township 1, Range 8 and William Cochran shows a land claim dated 1810 in Section 2, Township 1, Range 8 on the Leaf river This would be in present day George County, but at that time was in Greene County. Exektel Commut shows a land claim dated 1811 in Section 25, Twonship 1, Range E which joined the Cochran's land on the South. Ezekiel Cowart married Margaret Cochran, daughter of William and Margaret Cochran, 2-25-1797 Barnwell District, S.C.

Children of William and Margaret Cochran are believed to be Margaret (above) George, Burwell, Nancy, William, Allen, Martin, Menry and possibly others.

Henry Cochran married Mary Strickland, daughter of Simeon Strickland and Jenny Hale Strickland. (This information is contained in an affidavit which I received from the Bureau of Indian Affairs pertaining to Jenny Hale who was & Creek Indian). Henry and Mary Strickland Cochran had the following children:

I have a lot more information on the other children of William and Margaret Cockran, if you would like it. Would be happy to send it to you.

My husband's lines tie in with the Cochrans twice. Once thru Henry Cochran and Mary Strickland and thru Esskiel Cowart and Margaret Cochran. Two of their daughters married Adams men who were the brother's of Lewin Adams, my busbands' grant grandfather.

I hope some of this belos you and if you disagree with any of it please let me know. The lack of documentation on many of these things leaves much room for correction.

Sincerely,

Mrs. Ben F. Strickland

10/28/1983

Dear Ben,

I enjoyed your last letter and the information it contained. Yes the Cochrans are quite a problem to trace and it seems that each time we think we are making headway we slip backwards.

With regard to the War of 1812 I had already checked that our and I have enclosed copies of certain document which may be of interest to you. First the book, FOUR CENTURIES ON THE PASCAGOULA, vol 1, list both Wm and Burl as veterans of the War of 1812. A number of years ago I checked archives in Washington and they did not send me too much. Actually one page may belong to one William ochran as it shows Alabama Territory and Clark County and the other pertains to William ochran in Jackson and George ounty according to Four Centuries on the Pascagoula. It looks as if both were in the same outfit.

I do not have any documents as to any William Cochran in the State of Alabama. My records start with Willin in the Mississippi  $^{\rm T}$ erritory as of 1809 in the petition to congress.

Second with regard to Margaret Cochran. I recently tried to locate her in the 1830 and 1840 Greene Co. Tensus and had no success. You said you found her in the 1830 in the household of Burrell Cochran in the age bracket 70-80. I have her in 1816 in Greene County in the special census and then I go to 1850 where she is in the household of Burrell in Greene County at age 90. Based upon that she must have died after 1850.

Do you know if the husband of Anne Howell has ever had her book published. I talked with him a bout a week after her death and he intended to but have had no further contact with him. If he has do you have a copy and is it worth trying to obtain a copy.

Concerning John T. Cochran mentioned in your letter. Like you the only thing I know about him is that he appears in the 1840 Census. Don't know where he came from or where he went. I am of the opinion that William had a brother John and that he came from the Barnwell District WXKM about the same time as William and went further w est and settled in Amite Co. Mississippi. I know a lot about this family and they have the names Henry, John T. (maybe this the one in 1840 Census) Allen, James, Nancy and etc. in the family of cohn.

Will have to spend some additional time trying to digest your last ketter.

Last and not least is my check for \$20. for you book Copies of George County MS? eath records. I hope it will be of some help.

#### Four Centuries on the Pascagoula

Mrs. Dunbar Rowland gives a roster of some six thousand Mississippians who took part in this war. Some of these rolls are evidently re-enlistments, since the names of some well-known men occur on more than one list. However, a comparison of her lists with all available lists from what is now Jackson and George Counties, but which then was Jackson County, yields only some seventy names more or less certainly of people living on the Pascagoula. The list used as a basis of comparison has been compiled from the following sources: Voting lists, tax lists, and state and national census returns which bore dates of 1813, 1814, 1815, 1817, 1818, 1820, 1823, 1824, 1825, 1826, and 1828. From this comparison the list given below is submitted.

Dear Mr. Hurley:

Thank you so much for the information on Henry Cochran. I will check the 1870 census on Saturday when I go to Mobile to the Library.

Yes I would like very much to have the Coward information from the book. Am enclosing two dollars for copies. If this is not sufficient let me know and I will send more.

Just received a letter from my sister today and she said some of the Strickland's have a little book that Simeon Strickland used to keep his accounts and various information in. In the front of it is written "This book howt from Doc. Coonram Oct. the first 1888".

Would you know of any of the Cochrans in Wayne or Greene County in the 1880 who were micknamed Doo? If I could find out this, it might be the definite link with the Stricklands I am looking for. These Stricklands lived near the Wayne-Greene County border.

There is one Strickland in the 1790 census of Orangeburg District of S.C. and his name is John. Also listed are John Cochran and William Cochran. William has 4 males under 16, himself over 16 and 6 females. This John Strickland could possibly and I believe he is the one who shows up in the Natchez District of Mississippi in 1802 and later in Greene County - 1811. He would be the uncle of Mary Strickland who married the Cochran.

Thanks again for the information on Henry Cochran. I hope to follow through on it and find out who Mary is. Will appreciate the Cowart information also.

Sincerely,

Ben F. Strickland 72 Simpson Lane Milton, Florida 32570

P. S. In looking at the chart on Henry Cochran and wife Mary again. I note that their children married into the Cooleys and the Davis's. My Stricklands also married into these two families.

Dear Mr. Strickland,

I am sorry to have waited so long to answer your letter, but things just seem to pile up at times. I have been terribly busy at the office and worn out when I get home.

Another reason I haven't written is that I just didn't know what to send. There is no way I could send everything I have on Georgia. I have so much information and lots of it would be of no interest to you because I have tried to gather data on many of the names I see connected with Cochran, and in many cases, these notes on other surnames are mixed in with my Cochran notes—typed on the same sheets, etc.

As you dig into GA sources and become more interested, I will be glad to Xerox things I think might help, but right now, this information would just clutter your files---and the cost to you would be large and for data you would not want.

Thank you so much for the things you sent. I am always happy to get census information. I have all the Cochrans from the published indexes to 1850 TN, GA and AL. I do not find a child Solomon in any of these, but, of course, these indexes do have omissions. The only thing I find which seems to be even a remote possibility is—
EXIMMENTALEMANT Forsyth co., GA p. 235/469--31st District--11 Dec 1850--#1291/1291 James Cochram 55 M Farmer 1200 S.C.

59 F Nancy Starling " XXXXXXXXXX 22 M Ga. 20 F Sarah 60 Lidy 11 F #1293/1293 Solomon Cochran 30 M Farmer Ga. 29 Mary Mary J. 5 John (?)S. " 3 M 2 Martha N.

I wonder if the John (?)5. could possibly be your Solomon? I know he was supposed to be b. Mississippi, but you know how those census records are. I have one womany whose place of birth is listed AL, 1850; TN,160; VA, 1870--or something like that--anyway it is a different state every census. So maybe Solomon was born in Georgia instead of Mississippi. It is at least worth looking into.

I was especially glad to get the Mobile, AL, cemetery records for Jerome Cochran. He was my great-grandfather's brother. Jerome was baptized into the Catholic Church in 1865 and I am now pursuing this lead. I'm hoping to find his bapt. record and have my fingers crossed that he gave his parents' - maybe even grandparents' - names. I know who his father was, and his mother is supposed to have been Frances BAILEY, but I would love to have proof of her maiden surname. I know who Jerome Cochran's Cochran grandparetns were, but what a break if Frances Bailey's parents were given!

Mary

Thanks for everything.

Sincerely, Mary Gregg

### DEEDS IN JASPER COUNTY, GA, WHICH PERTAIN TO JACKSON COUNTY

Note from Mary Gregg: The following three deeds are for the land drawn by Richens Cochran's Orphans in the 1807 Land Lottery. They drew from Jackson County. In 1805, they had been listed in Greene co., GA. The amount of land sold by each of the following three men just doesn't make any sense--73 6/10 acres simply will not divide into  $202\frac{1}{2}$  acres an even number of times. And the size of the 1807 LL lots was  $202\frac{1}{2}$  acres. Can you figure this out?????

30 Oct 1813. James Cockran of Morgan co. to David Flennekin of Jasper. For \$500 James Cockran sells to David Flennekin tract of land containing by estimation 73 6/10 acres - part of lot No. 81 in the 16th Dist of form. Baldwin, now Jasper Co. - and was drawn by the heirs of Richard Cochran, dec'd. /s/ Jas. (X) Cochran Wit: Eli Glover, Joseph McBride, JIC

5 Oct 1813. Parmenas Cochran of Wilkes to James Lanier of Jasper.... tract of land containing by estimation 73 6/10 acres - part of lot No. 81 in the 16th Dist. of formerly Baldwin, now Jasper Co. - drawn by the heirs of Richard Cochran, dec'd...\$100.00. /s/ Parmenas Cochran Wit: Garland Maxey, Edw. Green. Rec. 6 Oct 1813.

We have some info on Parmenas. He m. Asenath Bennett, and he died as a young man, leaving only a daughter (no sons)—Aseanth Cochran. She m. a Bowles and is in Harris co., GA in 1850. Asenath (Bennett) Cochran m. (2) a Bowles and (3) a Fleming and she, too, is in Harris co. in 1850.

There is a James Cochran in 1850 Maury co., TN, who was b. GA 1780; wife Jane also b. GA. Right next to them is another Cochran family with a child named Asenath. I con't help thinking this is the James, son of Richens Cochran, but haven't worked on it enough to prove it.

Dear Mrs. Howell:

I am so sorry that we missed meeting you in November at Mary Ellen's, but hope to have the opportunity again sometime this year. I hope you have been well. I had a letter from David Hurley recently and he had heard you were ill again. I have recovered from my surgery and much better than before.

I thought of you again last week and our Cochran kin. I was able to get copies of the Land Commissioners book for Greene County for the year 1846. It gives the exact location of land owned by various individuals in Greene County at that time. It showed Henry Cochran as owning the following land:

NNW.W. & of Section 27, Township 1, Range 8 containing 40 acres
S.E. & of Section 21, Township 1, Range 8 containing 30 acres

In looking at my Greene County, Map this land would adjoin each other and make a total of 70 acres. It would be in the Leaf Area in what is now National Forest (I think).

Do you know if there is a Cochran cemetery in this area? Do you think that this is the old estate?

How is your George County Cemetery Book progressing? Hope it will be finished soon as I am andous for a copy. We are still working on the Greene County cemeteries. Have made a lot of progress, but there are so many in Greene County and we do not maint to miss any if we can prevent it.

We also hope to go back again to talk to Luke McLain near Waynesboro. He knew Solomon (Doc) Cochran and I would like to question him a bout Solomon's parents. We were with some other people when we were there and they were discussing the McLain family and we did not want to interfere. If we are able to obtain any information, will send it to you.

Must go for now, but wented to send you this information and get your thoughts on this.

Sincerely,

Mr. David P. Hurley 202 Oakwood Street Gulfport, MS 39501

Dear Mr. Hurley:

Recently we were in Jackson at the Archives doing research on my family and found your name listed as researching the Cochran family.

I am trying to find which Cochran married Mary Strickland in south-eastern Mississippi. They would have had a son Solomon Cochran born ca 1849. In the 1880 census of Perry County, Miss. He is listed as being born in Miss., his father born in Georgia and his mother as being born in Mississippi. In 1870 Census of Perry County he is living with Solomon Strickland and his wife Lucretia.

Mary Stickland and Cochrand would probably have married in Wayne County, MS around 1829.

During the years we have accumulated a very large amount of Cochran information from every state, and will be happy to share any and all of it with you. I would appreciate hearing from you. A self-addressed, stamped envelope is enclosed. Thank you.

Sincerely,

Dear Mrs. Strickland,

I have been involved in local projects for some time and have been out of town for about 10 days. This morning, I was going through my recent correspondence to see if there were unanswered letters or unpaid bills I needed to take care of. I was surprised to find your last letter (Mar. 11) and the money you sent. I am so sorry not to have replied and returned two of your dollars - one dollar is about all it cost to copy and mail that map.

I suppose the tax records and perhaps church records are about the only leads, except for 1812 War pension applications we have on these Greene-Jackson people. And, as you know, the Methodists and Baptists did not keep much records on families, but did keep lists of memberships during the year, and some made a list of members who had died during the previous year.

I haven't done anything on Cochran (Cockerham) families since I wrote you last. If I find something relavent, I will send you the information, and I trust you will do the same for me. In the meantime, I do thank you for your information thus far.

Sincerely, Nell X. 72 Simpson Lane Milton, FL 32570

Mrs. Willard Howell P. O. Box 731 Lucedale, MS 39452

Dear Mrs. Howell:

I have been corresponding with Mr. David Hurley in Culfport, MS regarding the Cochran family and he told me that you had done some research on Henry Cochran and wife Mary. I am very interested in this family as I believe they fit into my husband's family in Wayne and Greene Counties and Perry also, Mississippi.

Mr. Hurley told me that you had not been well and I do not want to impose on you if you are not up to correspondence, but will go shead and tell you what little I know about Henry Cochran and Mary. If you do not feel like corresponding, I will understand.

Incidentally, I have just finished reading BY THE RIVERS OF WATER and note that much of the information was furnished by you. I thoroughly enjoyed it and found it very informative.

I have a copy of a document from the Bureau of Indian Affairs in Washington, D.C. which lists the children of Simeon Strickland and Jenny Hale Strickland (a g breed creek) and it lists daughter Mary born on 1804 who married Henry Cochran. I am wondering if this is the same Henry Cochran who you have researched. The group sheet Mr. Hurley sent me agrees with some of the information I have tried to compile.

Is this Henry Cochren also scretimes listed as Harry Cochren? I note from a book of nicknames that Harry is a common nickname for Henry.

I have been told that there was also another child that does not show on the group sheet Mr. Hurley sent me. Solomon Cochran b ca 1845 who was raised by Solomon Strickland and his wife Lucretia Lucas after the death of his parents ca 1861 or 1862. When Lucretia Strickland files for her Confederate pension she states that she is living with Solomon Somman, her mephew by marriage. This would be correct if he were the son of Henry Cochran and Mary Strickland as Mary Strickland was the sister of Solomon Strickland.

I would like to know more about this family and would appreciate any help you could give me. Will be happy to share any information I have that you might be interested in.

Sincerely,

Mrs. Jean Strickland 72 Simpson Lane Milton, FL 32570

Rt 3 Box 194 Georgetown, Texas 78626 February 22, 1980

Dear Mrs. Strickland,

Thank you for your letter of the 24th of January. I had the names and regiments of the Cockerhams serving in the War of 1812 from Mississippi, but I have not sent for any of these. I don't know why David is listed in Colonel Claiborne's Regiment and also in Lt. Col. Nixon's Regiment - I know my ancestor's name was David, and I should think he would be the David in Lt. Col. Nixon's Regiment, as many of the Amite County people were in this one. However, I believe the two Johns to have been the Amite County Johns, also, so I really don't know. I must send for these. I know there were two Johns - one the son of "old John" and one who was apparently the son-in-law of old John (this was the one designated as John, Jr. - this nearly drove me wild until I finally got his estate papers and realized he was not the son of old John; I knew the son of old John had gone into La. and did not understand this John, Jr. still in Amite).

Like you, I had assumed the Harry was the same as the Henry in the Greene-Jackson Counties area. Also, I had decided that old William had died between 1812 and 1816. It is so unfortunate for us that the Greene County records burned. My son-in-law, who lived in Jackson and was in the oil-lease business in Miss. for several years, said the older records in Greene County are in the basement, have apparently been rained on, and are mildewing and ruining - or were several years ago when he was there doing some work.

If you have the 1870 census for Ezekiel Cowart (living with Charlotte Adams) I would appreciate a copy. I have these people in 1860 but not in 1870. You probably already have this, but in Vol. 10, 1964 issue of the "Mississippi Genealogical Exchange," (from War of 1812 Pensioners), Ezekiel Cowart (Covert) died 1 March, 1874, Greene County. Miss. Do you have a list of the children of Ezekiel and Margaret? I do not have a complete list, nor their marriages - I was glad to know two of them had married the Adams men.

I am sending the map - as you can see, it is a "pieced-together" one, as the xerox maching would not make any larger size copies, and I just had to keep turning the original map around.

Do you have any suggestions as to locating information in S. C. on these Cockerham-Cochran people? There is a researcher in Montgomery County, Alabama, who does some work for me, who is planning to go to Atlanta and probably S. C. to do some work soon. I sent her a list of my needs on another family, but I don't know what to ask for on the Cockerhams. If you have any suggestions, I will ask her to try them.

Yours truly, Nell K

38 SCOTCH-IRISH MIGRATION TO SOUTH CAROLINA

Mary; that the entry in the Council Journal of December 1, 1772, referred to them, that the warrants, dated December 11, had been duly prepared but held for the arrival of the Rev. William Martin and final determination as to the procedure to be followed.

The list of persons on each ship is divided into two groups; one, those who have £5 and so will pay fees for their land, and second, those who have sworn they do not have £5, so are deemed "poor persons" and thus do not have to pay the fees. (In this connection, it may be of interest to note that the fees, as listed in Chapter 1, sec. III, for the cost of the survey would usually amount to from £3 to £5, depending on exactly what was required in the particular case. If Five Pounds was all a family had, in the majority of cases they would have no money left by the time they had their land.)

Extensive research in the "Instructions," statutes, Council Journal and other records has failed to discover any authority or reason for the sum of £5 being required. But as only "poor protestants" were entitled to their land free of charge it seems probable it was fixed by administrative decision as the amount which would determine the category into which emigrants from Ireland who petitioned for land would be placed, that is, that a person who arrived in the Colony and did not have as much as £5 would be deemed a "poor protestant."

For names appearing in the *Council Journal* of those to whom warrants were issued and the number of acres to which each were entitled, see sec. III.

It should be rembered that these are not "passenger lists" but lists of those arriving on the respective ships who applied for free grants of land. It seems probable that the majority of the passengers did apply for free land, even in cases where they had funds and also bought land, as it is known that several did.

Daniel Green Stinson (born 1794, son of William Stinson (Stephenson) who came in the Martin party), writing in the South Carolina Reporter at an early date, 2 stated he had in

In an article (date unknown) which he furnished to and which was printed in The Reformed Presbyterian (1876).

his possession a letter from Henry and Margaret Malcolm, dated 30 May 1773, County Antrim, Ireland, to their son-in-law, John Lin (who came on the Lord Dunluce) in which they mention, "We hear it reported here that Mr. Martin and his Covenanters had ill getting their land and John Cochrane had the occasion of their trouble." (This allusion is not explained. A John Cochrane was a passenger on the Pennsylvania Farmer and was granted land on Rocky Creek, Chester Co., but no reference has been found to any "trouble." It would be interesting to know what caused the comment.)

Daniel Green Stinson then went on to say that he supposed the trouble was that they had all expected to settle together in a colony, but found lands would not be granted in such a way as to permit it, and they had to scatter. While all were entitled to land, he continues, "Those who had means bought from old settlers." Records indicate, however, that while those with "means" may have bought improved property from earlier settlers, in a number of cases they also took up the free land to which they were entitled and improved it. Nevertheless, it is clear there were those in the group that did not take up any land. For example, Robert Chesney bought his land even before he came (or at least before he left Charlestown) but his young son Alexander took up a grant. Others no doubt did the same.

It is quite understandable that so soon after the Regulator troubles the Governor would not have wanted to see a colony of around 1,000 Irish, who felt they had been forced out of their home in Ireland, settled in one place, and would see to it that they were scattered. There was, however, some freedom of choice, for in many instances it has been noted that the land surveyed for one of the Martin party adjoined land which was already possessed by someone of the same surname; if they could not remain in a group there was a tendency for each to settle where there were relatives.

Letter to county clerk has not produced marriage license for Elijah Clark/Mary Myers or J. R. Clark/Sarah James, who originally were believed to have been married in Scott County. Elijah's only known relative was one brother, Ross. They were b. in Alabama, according to Miss. census records. Believed both served in Civil War, with Elijah settling in Miss. and Ross going to either La. or Ark. First record of Elijah is 1870 in Scott County census; none for Ross. Would like to hear from anyone with info about either of these brothers before 1870. Mrs. Pat Clark, 5712 Wilkes Drive, Fort Worth, TX 76119

### COCHRAN-STRICKLAND

In the 1870 census of Perry County, Miss. Solomon Cochran is shown living with Solomon and Lucretia Lucas Strickland. In the early 1900's when Lucretia L. Strickland applied for a Confederate widow's pension, she stated she was living with Solomon Cochran, her nephew by marriage, at Richton, Miss. Who were the parents of Solomon Cochran? I believe his mother was Mary (Polly) Strickland, sister of Solomon Strickland. Have never been able to locate a Cochran family in the Miss. 1850 census with a son Solomon born 1846-1849. Can anyone help on this? Will be happy to exchange information on both Strickland and Cochran and will refund postage. Mrs. Jean Strickland, 72 Simpson Lane, Milton, FL 32570

### Termination of the Henry County Academy

The plan of co-operation between private teachers and county administrators continued with varied degrees of success. For a number of years, private funds supplemented the public fund.

Farmers gradually failed to provide privately raised funds to supplement state funds, the better equipped teachers moved to more populous and prosperous centers. This is what happened to Rev. Gamble, rector of Henry County Academy Presbyterian who was the leader in establishing the church here. He moved on to Pleasant Green near Summerville, Georgia and opened an Academy there.

In 1837, the first common school system of the state was adopted and Academies began to disappear.

The migaration that had brought people to Henry County took them onward as new lands were opened for settlement. Many old substantial men were deceased and many moved to towns on the railroads, leaving the town in a state of decline and unable to support the Academy. The records show that by 1850 the number of Trustees of the Henry County Academy was being reduced and the school was failing. Tradition states that the buildings burned during the reconstruction period.

The Academies in Ante-bellum Georgia played an important part in the state's history and prepared many able leaders.

### Other Henry County Academies

1824, Dec. 9, Henry County Academy incorporated by an Act of General Assembly.

December 21, 1827, Pleasant Grove Academy was incorporated, naming Garry Grice, Cornelius McCarty, John W. Poyner, William Griffin, William Ellis, Woodson Hubbard, and Henry J. Williams as

Garry Grice lived on the Towaliga River in the third District.

Pleasant Grove Post Office and location have been authentically established by Raynor Hubbell of Griffin in his book Confederate Stamps Old Letters and History. The Post Office was changed to Griffin in 1841.

Cornelus McCarty was Postmaster at Pleasant Grove. This compiler's proof was in locating Samuel Johnson at Pleasant Grove on land lots 157-160-162-164-182 in the third District of Henry County in 1835. These lots are just above Griffin at the intersection of the extension of North Mill Street with McIntosh Road and were taken in the formation of Spalding County in 1851.

### Oak Grove Academy

What appears to have been the first building erected for the sole purpose of a school house in the Bear Creek community on the present site of Hampton, Georgia, was the Oak Grove Academy, the land for which was deeded by William Tears in 1854. The location was near Lebanon Church, and the deed stipulated that the Academy would share use of the spring of water with the Church. The original Trustees of Oak Grove Academy were B. B. Ransome, Samuel P. Campbell, John Smith and Thomas J. Barnett, all of whom were leading citizens of the community.

H. Manning, Third Arkansas Regiment. His first hard battle was Antietam, and at Richmond, Va., he was wounded by a ball passing through his right shoulder in 1865. He was in the Richmond Hospital three weeks, after which he returned home, but was taken sick with a fever and remained there until the surrender. After recovering he began clerking at Hamburg, continued this one year, and then was elected tax assessor, which position he filled for two years. On October 2, 1808, he was married to Miss Lula F. His parents were James B., native of Georgia, and Malinda (Dean) Cone, native of Alabama, the father born on October 12, 1808, and the mother in January, 1818. They were married in 1836, and to them were born nine children: Washington, Lucinda (deceased), James (deceased), Sarah (married S. Five interesting children were born to Mr. and Mrs. Cone: Alexander R., Andrew E., Joshua E. (deceased), Howard M., and Lizzie. Mr. Cone has always followed agricultural pursuits and started out for himself with two cows and a mule. He is at present the owner of 620 acres of good land, has sixty five acres under cultivation, and has his farm well stocked. His gin has all the late improvements. The Cone family is of English and Scotch descent. Mr. and Mrs. Cone are church members, he of the Methodist and she of the Bap. tist denomination. They are good citizens and are

A. D. Cone farmer and stock-raiser, Berea, Ark. Though not yet forty years of age Mr. Cone has achieved a place among the farmers and stockraisers of this township by no means an inferior one, and one which many older in years and experience might well feel proud to occupy. He came originally from Conecuh County, Ala., his irth occurring in that State on December 3, 1851, and is a son of Joshua and Lucinda (Dean) Cone, both natives of that State. In the winter of 1853 they came to Ashley County, Ark., reared a family of nine children, four of whom are now living, and all in this county, and here his wife died in 1855. His second marriage took place in 1856 or 1857 to Miss Elizabeth Chandler, and they reared four children, two now residing in Ashley County, one dead and one recently gone to the Lone Star State. Upon coming to Arkansas Mr. Cone settled in the lower part of Bearhouse Township and there en tered land. There his death occurred in 1877. He had long been a member of the Baptist Church. A. D. Cone was instructed in the duties of the farm when a lad, and secured a fair education in the common school. At the age of twenty-one years he began farming on the home place, and when twenty-four years of age was married to Miss Susan Etheridge, daughter of George W. and Rebecca Etheridge. Mr. and Mrs. Cone have two children: Uriah Joshua and Searcy Allen. marriage Mr. Cone farmed for two years with his brother in law, and then bought him out, living there eight years altogether. He then sold out in 1883, bought 240 acres where he now lives, and his principal crops are cotton and corn. He also raises a good grade of stock, principally cattle and horses. In October, 1889, he formed a partnership with L. C. Adams, in merchandising, and they do business at Berea. They carry a stock of goods

He then returned to Portland, has practiced here ever since, and is one of the popular and successful physicians of the county. In April and May he took a six weeks' post graduate course at New Orleans. The Doctor is a member of the K. of P. In politics he always votes with the Democratic party. Under same conditions the Doctor is decidedly of the opinion that the general health is as good on the bayou as in the hills. The disease is mostly of a malarial nature and yields to a thorough course of eliminat

#### Biographical.

Dr. Morrow belongs to the Masonic Fraternity, and is Master of Birmingham Lodge, No. 384, and is also Grand Junior Warden of the Grand Lodge of Alabama, and besides, is a member of the Elyton Chapter.

Both himself and Mrs. Morrow are members of the Baptist Church.

Hardin D. Gochrane was born in Tuscaloosa, Alabama, October 1, 1843. His father, William Cochrane, was a native of New York, a lawyer by profession, and practiced in that city until, his health failing him, he emigrated to Tuscaloosa, Ala., and entered into partnership with General Crabb, of whose fame as a gallant leader in the Mexican War all readers of American history are well aware. The mother of Hardin P. Cochrane was Miss S. S. Louisa Perkins, daughter of Major Hardin Perkins.

The home of the subject of this sketch was, at the date of his birth, well known as the center of refinement and culture. And it is not at all surprising that the influences of his surroundings should have exerted an important bearing on his destiny.

In the spring of 1860 he went North, and remained until fall, when he entered the University of Alabama, being in the first corps of cadets in the institution. In 1861 he was appointed drill master to the Confederate camps of instruction at Shelby Springs, and at Mobile, Ala., where he remained, mostly in detached service, until April, 1862, when he resigned his position as cadet and drill master to join a Confederate company of cavalry under Captain J. J. Pegeus, called the Warrior Rangers, but subsequently known as Company D, Second Alabama Cavalry.

On one occasion, he was sent out, with a scouting party of eight men, and captured four of the enemy and eight of their horses. He displayed so much gallantry that in recognition of which he was presented with a fine horse. He participated in over fifty engagements, and had a horse shot under him at Kingston, Ga., while serving under General Joseph E. Johnston.

Not willing to give the cause up, he volunteered to go across the Mississippi to join General Dick Taylor. As Taylor surrendered a few days later, he returned to his home in Tuscaloosa, without taking the parole, and engaged in farming for several years, devoting his leisure time to the study of medicine.

He completed his medical education at the Medical University of New York, from which he graduated in March, 1874. He was then appointed house physician of the Colored Home Hospital, and subsequently resigned it to accept the position of assistant

physician on Ward's Island, in New York State.

In November, 1874, he returned to Tuscaloosa, and began the regular practice of his profession, and received the appointment of surgeon to the body of men, employed under Colonel Horace Harding, who were engaged in the work of improving the navigation of the Black Warrior River. In October, 1875, he accepted the position of assistant surgeon of the Alabama Insane Hospital; in 1876, was chosen counselor of the Medical Association of Alabama, and in May, 1881, came to Birmingham, where he resumed the practice of his profession; in 1884, was elected president of the Jefferson County Medical Society.

In 1881 he was married to Miss Lalla E., daughter of Judge William S. Mudd, of Elyton, Ala. The happiness of this union was cut short by the death of Mrs. Coch-

rane, during the year 1885.

In January, 1887, he was united in marriage to his cousin, Miss Leighla O. Perkins, of Franklin, Tenn. Miss Perkins' maternal ancestors, the Maurys and Fontaines, were Huguenots, and her family are among the most prominent of Tennessee. Her grandfather, Hon. Abram P. Maury, was a distinguished politician, serving his country

in Congress, and in the legislature of his native State. His father's family are too well known to need a word of commendation, save that they have always occupied positions of wealth and honor.

Thus, do we see a worthy member of a noble profession acquiring, step by step, an enviable standing professionally, and, as a citizen, a name above reproach.

Mr. and Mrs. Cochrane are members of the Protestant Episcopal Church.

Henry J. Winn was born in Greene, now Hale County, Alabama, February 10, 1836. He comes of old Virginia stock. His father, Asa B. Winn, who, previous to emigrating to Alabama, was a planter, resumed his occupation at the time of coming to Greene County, in 1830. His mother, Anne E. Robertson, was also a Virginian.

Young Winn attended the ordinary schools of his immediate vicinity until he was sixteen years old, and then went to Dr. Henry Tutwiler, at Greene Springs, Ala., one

year, and then to the University of Alabama, at Tuscaloosa, until 1854.

On returning home he farmed, but, in the meantime, engaged in the private study of medicine, and in 1856-57 took medical lectures at the University at New Orleans, and in 1857-58 at the Medical University of Pennsylvania, at Philadelphia, graduating in the spring of the last mentioned year. Dr. Winn at first practiced in Marengo County, Alabama, and at the end of the first year went to Dallas County, and was engaged in practicing and farming until 1880.

During a portion of the time up to 1880, he, like most young Southerners, had his war experience. It was in the spring of 1861 that he enlisted as private in the First Alabama Regiment of Cavalry. In 1862 he was commissioned assistant surgeon, and served in this capacity until the close of the war. As already stated, Dr. Winn remained in Dallas County until the year 1880, and then came to Birmingham, and devoted himself exclusively to the practice of medicine. During this time Dr. Winn has been a member of the State Medical Association, and the Jefferson County Medical Society, and has also belonged to county board of censors, and for several years was county health officer.

In 1886 he was appointed postmaster of Birmingham by President Cleveland, and, since his acceptance of the office, he has had the honor of seeing the free delivery of mails introduced in Birmingham, which, of course, has greatly facilitated the handling and disposing of mail matter.

Dr. Winn was married in March, 1859, to Miss Eliza E., daughter of Alexander W. and Catherine B. Ellerbe, of Chesterfield County, South Carolina. He is the father of ten children—Alexander W., deceased, Julia R., Catherine E., Lucy L., Lillie J., deceased, Walter E., Annie C., Henry J., Jr., Herbert, and Eliza E.

In January, 1887, Dr. Winn was married, the second time, to Mrs. Helen N. Boyle, of this city.

J. C. Abernethy was born in Marengo County, Alabama, September 6, nethy was for over fifty years a minister of the Methodist Episcopal Church.

Our subject studied medicine in Nashville, Tennessee, in 1856-57, and graduated from the University of Louisiana, medical department, in the class of 1858-59.

In 1861 he entered the Confederate Army, as surgeon of the Thirty-second Alabama Regiment, and in the last year of the war was transferred to the Forty-third Regiment, and remained with them as surgeon until the surrender of General Joseph E. Johnston, at Raleigh, North Carolina. During his service he was a portion of the time

For the occasion, Mr. Cochran wore a gray suit accented with a white carnation, its leaves gilded, which he wore as a boutonniere. Mrs. Cochran chose an off-white frock, fashioned with a lace bib overlaying the blouson top, bishop sleeves and a softly gathered skirt. With this she wore a corsage of carnations interspersed with golden hearts and leaves. Both floral tributes were gifts from the couple's

The front doors of the church were especially decorated with large gold bows. In the fellowship hall, where the fete was held, a large gold bow was used to accent the wall above the table where guests were registered. A white-plumed pen was used by guests to register.

SUPREME COURT OPINION GIVEN CITY FLECTIONS

The state supreme court on Monday handed down a decision confirming the ruling of Judge White in the circuit court of Hancock county, with reference to the time of holding municipal elections. The case was brought anto the circuit court on a petition for a writ of mandamus to compel the city cornell of Bay St. Louis to order an election for city officers next month. Judge White denied the petition, ruling that the election could not under the statute be held until December, 1932, a position that our city attorney has held with regard to Pascagoula's municipal officers, and held also by the attorneys. The supreme court upheld Judge White's opinion, ruling that while the Code chapter on municipalities was in some respects conflicting, yet, the intent of it was plain, that municipal elections for the four year term should be held on the first Monday in Defor the four year term should be held on the first Monday in De-cember, 1932, and every four years thereafter.

This decision upholds the stand the Chronicle-Star took in the re-cent special election, that even if the aldermanic form of government had been voted in that elec-tion, no change of officers could have been made except by resigna-tion until January first, 1933.

#### MISSISSIPPI CHILDREN'S HOME SOCIETY NEEDS DONATIONS

The year fast coming to a close has been a hard one, but few there are of us who has not had something to be thankful for. No matter how hard thankful for. No matter how hard times have been with us, we can always look around and se eothers whose lot has been worse. Good times may come and good time may go, but the poor and unfortunate we have have with us always, and it is to them our thoughts should turn while recounting the blessings we have enjoyed during the past twelve months.

There are several orphanages within the state of Mississippi, all worthy of There are several orphanages within the state of Mississippi, all worthy of generous support, but we call especial attention to one, the Mississippi Children's Home Society, located at Jackson, that is deserving of especial consideration, for the work it is doing reaches many who otherwise would go neglected and uncared for As it's name implies, this society is particularly engaged in the finding of homes for little waifs, who through a cruel fatchave been thrust upon the charity of the world. These little tots are ferreted out, brought into the home and tenderly cared for until a comfortable, Christian home can be found for them, with the assurance that they will be educated and reared in suitable surroundings. But the Society goes a step further. Many a poor widow, fighting sgainst the hardships of a cruel fatchas been aided in keeping her little brood together and providing them with the necessities of life. Some of these cases are pitiable in the extreme, where either through death or desertion the bread winner has been taken, and the family left altogether dependent.

During the past year the Mississippi Children's Home Society received under it's care one hundred and seventy-six this care one numerical and seventy-six children. Seventy-one of these chil-dren were bables and were cared for in the Nursery until placed. During the year one hundred and fifty-nine chilyear one hundred and fifty-nine chil-dren were placed in foster homes and forty-four were legally adopted, and three hundred and one were given fi-nancial aid.

Vancleave Cifzen, Aged 86 Year Talks Interestingly of Old Times at Rotary Meeting.

Rotarians on Wednesday had the honor of entertaining and being entertained by one of Jackson county's oldest and most respected citizens. Mr. Sim Cochran of Vancleave, who was the guest of W. T. Sparkman and was introduced as a man who was now in his 86th year, could read a newspaper without glasses, lived on his farm, in good health and spirits, and was doing more for his fellow man than he was for himself. Mr. Cochran modestly, but without much embarrassment, told comething of the life he was living and but without much embarrassment, told comething of the life he was living and of how he was now trying to help those less fortunate than he. Especially interesting were some of his references to former days. He told of the time in 1866, when he was only a boy, of how he and the late Tuck Delmas were captured by a United States revenue cutter and taken to New Orleans.

It seems that he and Mr. Delmas were coming down the river in a small boat, when they were overhauled by the cutter, a trim, fast salling schooner, and without any apparent reason, they were taken in charge by the command were taken in charge by the commanding officer of the cutter and taken to
New Orleans, the trip taking several
days. Evidently no charge was preferred against them, as they were immediately released, but their boat was
confiscated and they compelled to get
back to Pascagoula the best they could.
He knew of no law they were violating,
but their arrest seemed to be one of
those unexplained stunts pulled off by
Federal officers during the reconstruction period just succeeding the Civil tion period just succeeding the Civil

War.

The lighter portion of the program was furnished by three misses of the Girl Reserves, Misses Vivian Perez. Elsie Evans and Polly Heidelberg. They were introduced by Rotarian McInnis of the program committee, who said that all men loved a sweet, reserved girl, and that he now had the pleasure of introducing three "Girl Reserves," These young ladies gave two delightful songs, "Follow the Gleam," and "Give Me a Dream and a Day." Miss Elise Evans gave the Girl Reserve Code, Miss Ezell gave a short history of the Girl Reserves, and they concluded with another song, "Sailing." The Moss Point club was invited to

Our Municipal Government (An Editorial)

By reference to City Ordinance No. 13, printed in anot column of this paper, it will be seen that the ad valorem tax for 1931 is 34 mills for all purposes, the same rate as it was year. This levy is for the following purposes: For general reve purposes, 7 mills on the dollar; for general improvement except provements for which special assessments are levied, 4 mills on dollar; for school purposes, 12 mills on the dollar, and for bond demption and interest, 11 mills on the dollar.

It will be observed that the two largest items of taxation for school purposes and for bond redemption and interest. The t levy for general purposes and for general improvement is the s as that for bond redemption and interest and one mill less than for school purposes. This indicates that by far the greatest but to the tax payer is for schools and bonds. The bonds were v by the people at various times, and will have to be paid at matu and the people are demanding better school facilities each year there does not seem to be any chance to materially reduce the rate as long as the people vote for such things.

Twelve mills is not an excessive levy for school purposes seven mills is not an excessive levy for general expenses, but combined make 34 mills and that is quite a large tax. The con could have cut the levy this year, but the assessed valuation of city has fallen off considerably the past two years, and last some seven or eight thousand dollars of taxes were not paid. city losing that much revenue. As long as the tax payers deh certain things taxes will have to be levied to pay for them. who dances must pay the fiddler, is an old and true saying, applies to cities as well as individuals.

On the occasion of his youngest son leaving home for Australia, Charles Dickens wrote a letter of advice for his perusal. Among other things, he said: "Never take a mean advantage of anyone in any transaction, and never be hard upon people who are in your power. Try to do to others as you would have them do to you, and do not be discouraged if they fail sometimes. It is much better for you if they should fail in obeying the greatest rule laid down by our Savior than that you should. I put a New Testament among your books . . . because it teaches you the best lessons by which any human creature who tries to be truthful and faithful to duty can possibly be guided. As your brothers have gone away, one by one, I have written to each such words as I am now writing to you, and have entreated them all to guide themselves by this Book, putting aside the interpretations and inventions of man."

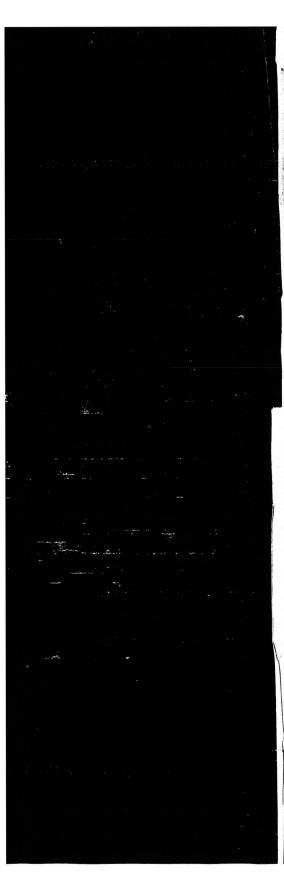

The astonishing battle in the streets of London recently, when two armed aliens held off a force of 1,000 police with reinforcements of soldiery, and finally perished in the flames of their burning stronghold rather than surrender, is discussed in the current issue of Harper's Weekly by Sydney Brooks, who states that England will thereby be compelled to reconsider her attitude of hospitality toward aliens. There exists to-day an Aliens Act, but it is enforced with such lenity, and is so imperfect, that the undesirable immigrant can always effect an entry. "We may expect," says this writer, "to see the power of deportation resorted to more freely. It is extremely probable that the laws in regard to pistols, daggers, and explosives will be made more effective, and it is not impossible that before long the Continental plan of registering aliens and of keeping them under official surveillance may be partially adopted."

The treatment given to Mrs. Eddy in her last illness, by the "students" in her own household, the same that she had prescribed for all her followers, is authoritatively described as "An effort to possess a clear consciousness of divine power and presence, with the understanding that when the consciousness of the individual is illumined by a realization of what God is, that realization overcomes the disease, as the light dispels darkness."

There's no doubt that the Cochran brothers' rural Mississippi upbringing led to their Olympic gold, Pendleton says.

"They lived on a farm way out in the country," Pendleton says.
"There were 10 kids in the family, and there wasn't much money and not much to do. So they ran. They ran everywhere. They ran to school. They raced each other. They ran for the fun of it.

"My father used to tell me about that all the time. It was so different than the way kids are brought up today. If they wanted to get somewhere, they had to walk, and if they needed to get there fast, they ran.'

U.S. Sen. Thad Cochran, who is second cousin to both Commodore and Roy Cochran, has heard all those stories.

"My father told me about watching Commodore run when Commodore went to Mississippi State," Thad Cochran says. "He was really a versatile runner. He ran the hurdles, he ran the sprints, he ran what-
